Disguise a Gingerbread Man

A family project

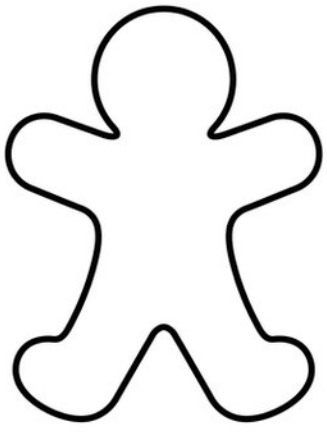

Dear families,

Our class has been reading about the gingerbread man, and now he needs your help! He does not want to be caught and eaten. Please work with your child to disguise him, so that no one can tell he is a gingerbread man.

- Let your child choose the disguise: a favorite animal, a job, a sport, a food, anything.
- Use what you have at home: paper, crayons, fabric, cotton balls, yarn, foil, buttons, stickers.
- Let your child do as much of the work as they can.
- Have fun and be creative. There is no wrong way to hide a gingerbread man.

Please return him by _____

Thank you! _____
